

MIXOVACIA LOPATA CONCRETE MIXER

Nízke náklady na výrobu betónu a manipulačné schopnosti v spojení s nakladačom predurčujú toto prídavné zariadenie na široké uplatnenie v stavebnom priemysle.

Low cost for production of concrete and manipulation ability in connection with machine predestinate this attachment for wide exercise in building industry.

Typ / Type	ML 300
Šírka lopaty / Basic width (mm)	1600
Objem / Capacity (m)	300
Max. tlak oleja / Max. pressure of oil (bar)	210
Hmotnosť / Weight (kg)	400
